These results relate solely to the sample tested. Testing conducted between the date that the sample was received and the date that the results were reported. Analyzed by Headspace Gas Chromatography and Flame Ionization Detection (HSGC-FID) (SOP 027) at the Denver facility. Report authorized by Lab Director or designee. ASL warrants that all work performed conforms to the industry standards in effect for cannabis when services are rendered. The uncertainty associated with the test result(s) is available upon request. ASL disclaims any implied warranties, except where such a disclaimer is prohibited by law, including any warrant of merchantability or fitness for a particular purpose.
